

TECHNICAL DATA SHEET

Cactus Heavy Duty Degreaser

DESCRIPTION

Cactus Heavy Duty Degreaser is ideal for removing grease, fats and oil from industrial equipment, walls, floors, and water washable surfaces. Suitable for use in commercial and industrial industries leaving a shiny streak free surface. Suitable for use on brass, copper, aluminium, stainless steel and galvanised steel.

FEATURES AND BENEFITS

- Concentrated formula.
- Diluted and rinsed off with water.
- Cuts through oil, grease, and grime.
- Aluminium safe.
- Fragrance free.

DIRECTIONS FOR USE (For Professional Use Only):

Wear suitable Personal Protective Equipment (PPE) and avoid breathing in fumes. Apply directly onto surface or submerge equipment (where possible) into Heavy Duty Degreaser neat or diluted according to soiling level, allow 2-5 minutes contact time with agitation. Rinse off with water.

For general use, dilute 1 part product to 50 parts water.

For light use, dilute 1 part product to 100 parts water.
